Information sheet for businesses

Exemption (at the place of business) for vehicles required for extensive transport activities pursuant to Art. 45 (2) Austrian Federal Road Traffic Act 1960 from 9am to 7pm/10pm

Requirements:

- The applicant is the owner of a business located in the area.
- The vehicle is registered to that business location and is regularly used for business purposes several times a week for extensive goods transport or the transport of tools and equipment for service and maintenance activities.
- There is no private or company parking spot available (e.g. garage or courtyard) at a distance of no more than 300 m in direct line of the company premises.
- Due to the times of day when the restricted parking zone applies, the applicant cannot be reasonably expected to conduct their business activities within the maximum permitted parking duration.

Documents required:

- Application with a detailed statement explaining the need for a certificate of exemption pursuant to Art. 45 (2) Austrian Federal Road Traffic Act 1960
- Copy of business licence
- Copy of the vehicle licence, registered to the company name and business location
- Proof of transportation of considerable amounts of goods or of service and maintenance activities requiring the transport of material, tools or equipment taking place regularly several times a week must be provided to the authorities on demand (e.g. invoices or confirmations of order that show that transport was required; 3 per week over a period of 4 weeks)
